Omschrijving:

Investment opportunity in Vélez-Málaga: urban plot with residential project for 8 homes

For sale: urban plot in Vélez-Málaga with a residential project for the development of an attractive building comprising 8 homes, 8 private parking spaces and 8 storage rooms, together with a communal swimming pool and solarium.

An interesting opportunity for developers and investors looking for a manageable residential project offering a distinctive product in the local market.

The project combines contemporary architecture with the character of the surrounding urban environment, making efficient use of the particular configuration of the plot to create a modern and functional residential development.

One of its main features is the communal area with swimming pool and solarium an unusual and highly desirable amenity for a development of this size within the town centre, adding significant value to the future homes.

The proposed development comprises:

- * 8 residential units
- * 8 private parking spaces
- * 8 storage rooms
- * Communal swimming pool
- * Solarium area
- * Contemporary architectural design
- * Residential project already developed

The project combines newly built homes with some of today's most sought-after features private parking, storage space and communal outdoor areas making the development attractive both to permanent residents and to buyers looking for a second home or investment property.

Located in Vélez-Málaga, the project offers the opportunity to create a distinctive residential development within an established urban environment, with easy access to the town's amenities and just a short drive from the coast of the Axarquía.

The sale includes the plot together with the existing residential project.

An excellent opportunity to acquire a defined development project for just eight homes with swimming pool, solarium, private parking and storage rooms in Vélez-Málaga.

Further information, project documentation and terms of sale are available upon request.
