Project Overview

Long Beach Residence is a gated beachfront development in Sahl Hasheesh, designed around comfort, security, and everyday convenience. Residents benefit from direct access to a private beach, extensive green spaces, and a well-managed compound with round-the-clock security. The development also offers access to a nearby hotel, adding further dining and leisure options for owners. With its combination of wellness facilities, healthcare provision, and family-friendly spaces, the community suits a wide range of buyers, from holiday homeowners to those seeking a long-term or retirement base. The setting also lends itself well to rental use for owners looking to generate income when not in residence.
