Omschrijving:

An outstanding opportunity to acquire a substantial plot in one of the Algarve's most sought-after locations, between Lagoa and Carvoeiro.

This 16,970 m² plot, located in Bemparece, Lagoa, includes an existing ruin and benefits from a fully approved architectural project, with the building permit already paid, allowing construction to commence without the delays normally associated with the licensing process.

The approved project foresees the construction of a modern single-storey villa with:

- 190 m² of internal living area
- 109 m² of covered and outdoor leisure areas
- 299 m² total construction area
- Private swimming pool
- Covered parking area
- Spacious terraces and outdoor entertaining spaces

Set within a peaceful countryside environment, the property offers excellent privacy while remaining just a short distance from the beaches of Carvoeiro, golf courses, restaurants, international schools and all

essential amenities.

This is a rare opportunity to build a high-quality residence in a prime Algarve location, combining rural tranquillity with easy access to the region's most desirable destinations.

Key Features:

Plot size: 16,970 m²

Existing ruin

Approved architectural project

Building permit paid

Single-storey villa with 299 m² total construction area

Swimming pool included in the project
