Omschrijving:

Excellent opportunity to acquire a spacious 3 bedroom apartment, located in a privileged area of Santo António, in the Urbanization of Pico dos Barcelos.

Located on the ground floor, in a 3-storey building, this apartment stands out for its functionality, generous areas and views.

The entrance is through a large access hall that includes a practical storage space and a small balcony space.

The living and dining room offers a cozy and versatile atmosphere, perfect for convivial moments with access to a large balcony that offers an unobstructed and truly spectacular view over Funchal and the imposing mountain range. A breathtaking scenario.

The kitchen, independent and functional, has a pantry, offering greater privacy and ample storage space. In the private area, we find three bedrooms, one of which has built-in closets, ensuring comfort and organization.

The apartment also has two full bathrooms, one with a shower and a more relaxing one with a bathtub.

The apartment needs a general remodeling, allowing the new owner to customize the finishes to his liking and enhance the value of the property.

Although it does not have a private garage, the street where the building is located is a dead-end street, and traffic is practically exclusive to residents.

With a unique location, this property guarantees easy access to all amenities, services and fast track, being close to everything you need for your day to day.

Schedule your visit now and come and see your new home or your next investment!

You can count on the professionalism of our team, at all stages of the process.
