Omschrijving:

Situated in the city of Lagos, this used apartment offers an excellent investment or permanent residence opportunity. With a floor area of 64 square meters, the property has a well-distributed layout, providing comfort and functionality for those looking for a practical and welcoming life. Its gross area of 93 square meters includes well-used spaces, ideal for creating a harmonious and welcoming environment.

Its privileged location in the Lagos area ensures easy access to services, commerce and leisure areas, making it a convenient option for those who value convenience and quality of life.

This property stands out for its excellent balance between quality, comfort and location, representing a very interesting opportunity in the Lagos region. Ideal for both own housing and investment, it benefits from a strategic location and carefully designed features to provide a practical and comfortable residential experience.

An excellent option for those looking for a property with potential, in one of the most sought-after areas of the Algarve, combining functionality, quality and proximity to everything that Lagos has to offer. -
