With its glorious natural scenery, excellent climate, welcoming culture and excellent standards of living, Bulgaria is quickly gaining a reputation as one of the most desirable places across the world to live or visit. On offer here is a chance to make a smart financial investment in this magnificent part of the world.

Detached villa situated on lake with beautiful mountain views. 20 minutes from Pamporovo ski resort and 5 minutes drive to Smolyan Town centre with supermarkets and lots of restaurants. The property has an open plan living on the ground floor with a separate utility with a toilet.

The second floor has 2 double bedrooms with ensembles and an outside terrace, also a separate sunroom. The third floor is unfinished but has a bathroom and outside terrace, this can be used as a lock-off and

Bulgaria is still an up-and-coming destination and as such it has a rough and rugged charm and serves up some authentic local flavour. The beach resorts lean towards attracting a young, European crowd and have an energetic vibe with high-octave nightlife. Away from the resorts and you'll stumble across the country's rich natural landscape and interesting history, showcased in its handful of museums and stunning architecture.

ABOUT THE AREA

Smolyan is a town and ski resort in the south of Bulgaria near the border with Greece. It is the administrative and industrial centre of the Smolyan Province. The town is built along the narrow valley of the Cherna and the Byala river in the central Rhodope Mountains, making it the longest city in Bulgaria.

Smolyan is a small and picturesque town in the heart of the Rodope Mountains. This magnificent town enchants visitors with interesting combination of old and modern architecture, influenced by the majesty of the great mountain. Smolyan is just 15 kilometers away from the famous ski resort Pamporovo and 260 km south of Sofia. Plovdiv is just 103 km south of Plovdiv.

There are several preserved houses from the National revival period - Mermovata, Pridasova and some others.

The arc bridge (Beiska kupria) over Cherna River (the Black River) was built in XVIII century.

The natural reserve 'Chinarat' - a 250 year old tree.

The historical museum of the Middle parts of the Rodope Mountains and of course the biggest Planetarium in Bulgaria on Bulgaria Boulevard. The Rodope Mountains Smolyan is surrounded by numerous interesting sites, that worth to be visited.
