There is a garage and parking space, as well as home automation features for added convenience. An opportunity to live in a residential environment, with views and quality of construction.

Mexilhoeira Grande is a Portuguese village and parish in the municipality of Portimão, with an area of 88.41 km² and 4,029 inhabitants (2011). Its population density is 45.6 inhabitants km².

It is bordered by the following parishes: Monchique (N), Portimão (E), Alvor (S), Odiáxere (W), Bensafrim (W) and Marmeleira (NW).

Located north of Portimão, Mexilhoeira Grande, a rural land, with white houses, trailed through alleys, has traditional handicrafts and agriculture as the main activities of its people.

It is also in this parish that the Autódromo Internacional do Algarve is located. It is located in a countryside area, about 6 km north of the center of the parish. Access is via a variant of the EN125. It is served by a station on the Algarve Line.

Mexilhoeira Grande is a very old village, whose origin may date back to the extension of the Neolithic and Chalcolithic settlements of Monte Canelas and Alcalar."

The institution of the parish seems to date back to the sixteenth century, when the current mother church was built. Around 1446, it should already be a village of some importance because, according to the chronicler Gomes de Zurara, Infante D. Henrique was here on this date. - REF: CC062 MC
