Athens is the capital of Greece. It was also at the heart of Ancient Greece, a powerful civilization and empire. The Acropolis Museum, along with the National Archaeological Museum, preserves sculptures, vases, jewelry and more from Ancient Greece.

The prefecture of Attica in Greece is famous for hosting the capital of Greece, Athens. Geographically it is a peninsula watered by the Aegean Sea from three sides, while on the north it borders with the rest of the mainland. Although the largest part is dominated by the urban space of Athens and its suburbs, it also has less-populated towns, especially close to the edges. A very famous spot is Cape Sounion with the ancient temple of Poseidon. In Attica, visitors will also find archaeological sites, mountainous villages, seaside towns, and many beaches.

The peninsula of Attica Greece has much more to offer, apart from Athens. The Athenian Riviera, the coastal road from the centre of Athens to Cape Sounion, has many luxurious hotels and lovely beaches. Also, our travel guide will inform you about many interesting archaeological sites all around the peninsula, including the Marathon Tomb, Ancient Eleusis and the Sanctuary of Amphiaron. Therefore, holidays in Attica combines beach and culture vacations.
