The main villa consists of three large and bright bedrooms, providing comfortable spaces for the whole family. It also has a bathroom, a cozy living room, a functional kitchen and a laundry room, offering all the necessary conditions for a practical and peaceful life.

The house has a rustic and cozy atmosphere, ideal for those who value the traditional character of a house and are looking for a space with its own identity. Its location allows you to enjoy the proximity of the main services and amenities, while still benefiting from the tranquility and surroundings of Porto Santo.

Another of the strengths of this property is the garage, which has the potential to be transformed into an independent 1 bedroom villa.
