Omschrijving:

This 3 bedroom villa for sale is located in Santo António, Funchal, offering an excellent combination of comfort and location. With two floors, it was built in 2025 and has a distribution designed for everyday life.

The property benefits from views over the sea and the city, with a privileged setting and a sense of visual continuity. The south, east and west solar orientation contributes to a good exposure throughout the day.

Outside and support areas, it has a garage and electric gate, as well as laundry and storage storage space. It also has a kitchen with pantry and access by entrance with drive way.

Comfort is reinforced with double-glazed frames and electric shutters. There is also a balcony, ideal for enjoying the tranquility of the place and the views.

Inserted in a private condominium and in front of the sea, this is an opportunity for those looking for a modern villa, with privacy and unique views in Funchal.
