Omschrijving:	

Commercial residential building in an attractive central location in Vir, only 700 meters from the sea, situated along the main road with excellent visibility and access. The property is located on a land plot of 464 m² and represents an excellent investment opportunity with an already established rental business. On the ground floor, there are three commercial spaces that are leased long term, providing the future owner with a stable year round income. On the upper floor, there are two fully furnished and equipped two bedroom apartments that are successfully rented for tourism and achieve very good occupancy rates. Each apartment consists of: kitchen with dining area living room two bedrooms bathroom terrace. In front of and behind the building, there are seven parking spaces available. Thanks to its excellent location, the combination of residential and commercial use, and an already established rental model, this property represents a strong investment opportunity with high return potential.
