The property has **living area of 86.34 sq.m.** and a practical layout. It consists of **aspacious entrance hall, a separate kitchen, and a living room next to it**, which could easily be united with the kitchen to create a large open-plan living area with dining space. The apartment also offers **two spacious bedrooms**, one of which has access to **a terrace**.

In addition to the living space, the property includes **alarge basement of 12 sq.m.** and **an attic room of 5 sq.m.**, providing valuable additional storage space.

The apartment requires renovation, giving the new owner the opportunity to redesign and transform it into **a modern and comfortable home according to their own taste and needs**. Thanks to its excellent central location and spacious layout, the property has outstanding potential both as a permanent residence

or as an investment.

For better inspiration, **optional visualizations of the apartment after renovation are available**, showing how the space could be transformed into a stylish and contemporary home.
