Omschrijving:	

Experience contemporary seaside living at Blue Lagoon, a luxury serviced apartment development in Loutraki, Greece. Designed for both lifestyle and investment, the development offers modern residences supported by a full range of hospitality-style amenities and professional property services.

The one-bedroom apartments provide more generous living space than the studio residences. Designed with comfort and functionality in mind, the apartments feature contemporary interiors and private verandas, creating a natural extension of the indoor living area and an ideal setting for enjoying the Mediterranean climate.

Residents benefit from a comprehensive lifestyle offering within the development, including a rooftop lounge overlooking the sea, state-of-the-art gym, wellness centre, café and restaurant, cocktail bar, tanning facilities and open lounge areas. Smart security systems provide an added layer of convenience and peace of mind.

Blue Lagoon is located in Loutraki, one of the Corinthian Gulf's established coastal destinations. The area combines beaches and seaside dining with its renowned thermal springs, while attractions such as Ancient Corinth and the Corinth Canal are easily accessible. Athens is also within convenient reach, supporting both leisure and rental demand throughout the year.

The development is operated around a fully managed ownership model, with professional support handling property preparation, furnishing, decoration and ongoing asset management. Owners can therefore enjoy a more convenient investment experience without needing to manage the practical aspects of running a rental property themselves.

With its larger floor plans, private outdoor space, extensive amenities and professionally managed operation, the one-bedroom apartments at Blue Lagoon present an appealing option for buyers seeking a coastal home or income-generating property in Greece.
