Omschrijving:	

A spacious 110 m² apartment for sale in one of the most sought-after areas of Torrevieja — Playa del Cura, just a few minutes from El Cura and Los Locos beaches. The apartment has been designed by an architect and fully renovated. Windows have been replaced, and a modern layout and finishes have been considered. Ideal for both permanent residence and vacation or investment. In the apartment: * 3 bedrooms; * 1 bathroom with underfloor heating; * spacious living room and large dining area; * modern kitchen with island and all necessary appliances: oven, microwave, dishwasher, etc.; * spacious balcony with sea views; * separate technical room next to the kitchen with boiler and washing machine; * air conditioning hot/cold. The master bedroom overlooks the street, one bedroom opens to the spacious balcony, and the third — to the inner patio. Two bedrooms are left unfurnished so that future owners can decorate them according to their taste and purpose. Nearby there's a supermarket, park, shops, and all necessary infrastructure. To El Cura and Los Locos beaches — just a few minutes on foot. Ready-to-move-in apartment for comfortable living by the sea — just move in and live, without additional investments.
