House with a total area of 110 m², located right in the center of the village of Travancas, in a quiet and easily accessible area. The property is distributed on the ground floor and 1st floor, presenting excellent potential for recovery and transformation into a family home, holiday home or investment project.

On the ground floor, the property has two shops, which can be used for storage, garage, commerce or adapted to other spaces, according to the rehabilitation project. The 1st floor allows the creation of the living area, and can be customized according to the needs of the future owner.

The villa also includes a plot of approximately 130 m², located right next to the property, an added value that allows several possibilities of use, such as garden, leisure space, parking or possible future appreciation, subject to feasibility and licensing.
