Omschrijving:	

Building land of 1080 m2 is for sale located in the town of Vrana, near Biograd na Moru.

The land is situated in an exceptionally peaceful and pleasant location, only 1 km away from Lake Vrana, and **provides a beautiful open view of nature and the lake from the plot.**

The plot is **irregularly shaped**, making it ideal for construction, and an additional advantage is that a **building permit has already been obtained, along with a conceptual project for a villa with a pool.** **All utility fees have been fully paid**, allowing the future owner to start construction quickly and easily without additional administrative costs.

This land represents an excellent opportunity for building a private villa or an investment project in a peaceful environment, yet close to the sea and all necessary amenities.
