Omschrijving:	

Set within the fir forest of Parnassos, this traditional stone-built house of approximately 120–129 sq.m. offers a calm, authentic mountain living experience. The residence is developed across two levels and enjoys a natural setting defined by privacy, silence, and uninterrupted forest views.

The property features three bedrooms, one bathroom, a fully equipped kitchen, and a generous dining area connected to the living room in an open-plan layout. An internal staircase leads to the upper floor, where two bedrooms are located:

- A larger bedroom with a double bed and a single bed, suitable for a couple with a child
- A second bedroom with a double bed
- The upper level can host up to five people.

On the ground floor, there is a third bedroom with a double bed, as well as the main living area centered around a large traditional stone fireplace, offering warmth and atmosphere throughout the winter months. Large openings frame views of the surrounding fir forest, while the corner-style fully equipped kitchen and dining area share the same open-plan space. The bathroom is also located on this level.

The house is equipped with autonomous oil heating and all essential electrical appliances, ensuring comfort in all seasons. Interior finishes in natural wood tones, combined with burgundy, green, and warm earthy colors, enhance the traditional alpine character of the property.

Outdoors, the private courtyard provides space to enjoy the natural environment year-round, including an outdoor barbecue area ideal for relaxed meals. Private parking is also available.

The house stands on a 4,000 sq.m. plot, fully independent and immersed in the fir forest of Eptalofos (also known as Agoriani), an area known for its abundant natural springs and strong cultural identity. The setting offers a true sense of retreat, making the property ideal as a private mountain residence, holiday home, or lifestyle investment.

In terms of accessibility, the property is located approximately 198 km from Athens, 347 km from Thessaloniki, and 24 km from Arachova, allowing easy access while preserving complete tranquility.
