Omschrijving:	

Located in Messaria, one of Santorini's established traditional settlements, this charming 100 sqm ground-floor residence combines authentic island character with the comfort and functionality of a modern home. Built in 2023, the property has been designed in keeping with the traditional architectural identity of Santorini while providing contemporary amenities for comfortable year-round or holiday living.

The residence offers three bedrooms and two bathrooms, providing a practical layout for families, couples or guests. A fully equipped kitchen serves the main living areas, while the property is offered furnished and with electrical appliances, allowing the new owner to enjoy the home without the need for extensive additional preparation.

A private Jacuzzi adds an attractive leisure element to the residence, creating a relaxing setting that complements the Mediterranean lifestyle and the distinctive atmosphere of Santorini.

Additional features include air conditioning and a solar water heating system, while the property holds an Energy Performance Certificate rated Class C. Messarias central position on the island provides convenient access to Santorini's main destinations, making the property suitable both as a private residence and as an investment opportunity on one of Greece's most internationally recognised islands. Combining traditional Cycladic character, modern construction, three-bedroom accommodation and a private Jacuzzi, this furnished home represents an appealing opportunity for buyers looking for a ready-to-use property for sale in Santorini.
