Omschrijving:
Where Modern Luxury Meets the Authenticity of the Tagus

Living in Alcochete is embracing a unique lifestyle, where the tranquility of a historic fishing village merges with contemporary sophistication. Known for its excellent gastronomy rich in fresh fish and seafood that honor the traditions of the river and for the preservation of its festivals and people, this charming village offers a premium getaway just 20 minutes from Lisbon. Crossing the Vasco da Gama Bridge is to make the perfect transition between the pulse of the capital and the serenity of an exclusive stronghold.

It is in this idyllic setting that we find this exclusive duplex apartment, a masterpiece of modern architecture designed for those who demand the extraordinary. With a gross area close to 300 m², the property stands out for its overwhelming natural light, high-end finishes and an absolutely impeccable state of conservation.

The true signature of exclusivity of this property is reflected in its 100 m² of private terraces. Oriented to the east and west, they function as a viewpoint suspended over the timeless beauty of Alcochete: from here, the view extends to the iconic salt pans, the reflecting pool of the Tagus River, the two bridges and the elegant skyline of Lisbon.

Distribution of Spaces
