Sue Cox Inmobiliaria is pleased to offer for sale a unique and fully independent property set in a peaceful natural setting, surrounded by privacy and open countryside. Located in the area of Las Cabreras, close to Oasis de Nazaret, this impressive property offers a rare combination of space, privacy and uninterrupted views.

The property is surrounded on all four sides by protected rustic land, with no neighbouring buildings directly adjoining it. This provides far-reaching views across the volcanic landscape towards the sea and creates a wonderful feeling of space and tranquillity.

The accommodation is arranged entirely on one level and offers approximately 200m² of built space, with a practical and spacious layout. The property is presented in excellent condition and is being sold fully furnished, as seen in the photographs, making it ready to move into and enjoy from day one.

The accommodation comprises three/four bedrooms and two bathrooms, together with a spacious living room opening onto a lovely terrace with views. There is also a separate kitchen and dining room with adjoining utility area, as well as a large fully glazed enclosed terrace which provides a versatile additional space. This could be used as a relaxing sitting area, home office, dining room or other multipurpose

room, and could even be adapted to create a small guest studio.

The entrance is approached via a spacious covered porch, providing a comfortable outdoor area that can be enjoyed throughout the year. The property also benefits from a garage and storage room.

Outside, the main plot extends to more than 1,000m² and is fully enclosed by a perimeter wall. The gardens have been thoughtfully landscaped with a variety of plants and offer several different areas to enjoy the outdoor space in complete privacy.

In addition to the main residential plot, the property also includes a further approximately 4,000m² of non-buildable rustic land. This additional land significantly increases the overall area owned and helps to maintain the property's peaceful surroundings and open views.

One of the property's most appealing features is its complete independence, with no direct neighbours and protected rustic land surrounding the property. It offers the opportunity to enjoy the tranquillity and natural beauty of the Lanzarote countryside while remaining within easy reach of the island's main amenities and towns.

A rare opportunity to acquire a spacious and private home with extensive gardens, additional rustic land and wonderful open views in one of Lanzarote's most peaceful settings.
