Having two separate entrances, this property is ideal for either a large family or for two families who require privacy at times. There are three levels with a bathroom on each, six bedrooms in total with three bedrooms containing a double bed and three bedrooms containing two single beds. There are no uncomfortable sofa beds in this villa. The El Galan extraordinary villa has a private swimming pool with wide walk-in steps at one end and reaching 6ft depth at the other. The pool can be accessed either by steps down from the middle level of the property or by steps down from one of the garden gates. There are plenty of recliners, tables and chairs within the garden area and a variety of palm and fruit trees. There is also a brick-built barbecue with a seating area which overlooks the swimming pool. As well as on-street parking, the house has a private driveway. The big solarium offers sea views and La Manga views.
