Ayia Thekla

Ayia Thekla is an emerging residential resort which lies just 6 km west of the cosmopolitan resort of Ayia Napa in Eastern Cyprus. Although residential, many of the properties for sale are popular for holiday rentals due to their close to the sea, quiet location and proximity to Ayia Napa. The church at Ayia Thekla is one of the most photographed spots in Eastern Cyprus as it overlooks a clear blue lagoon which is protected by a small island, making the water very calm. With the pale sands this is the first of many beautiful beaches around the southern tip. The main commercial town of the area, Paralimni, is

only 10km away and Larnaca International airport is 45km making it only a thirty minute drive.
