Description:	Luxurious and spacious villa

This fantastic villa is located in exclusive high security Altea

Hills. This luxury residential area is a real natural reserve that do improve the quality of life with the touch of nature. From this apartment has fantastic views to the blue Mediterranean sea, from where you can watch the spectacular sunsets and benefit from climate throughout the year.

This newly built house has a 1.771m2 and 765 m2 plot built, has 3 floors and elevator. This villa has 5 bedrooms each with bathrooms and wardrobes plus 2 closets. We fell in love the views from the bedrooms having giving light and tranquility. It has a spacious living room, dining room, large kitchen fully equipped with a large pantry.

This home has many extras such as central air conditioning, underfloor heating, home automation, video surveillance, flood sensors, electric shutters, motion sensors at home and throughout the plot and more.

It also has a large garage for four cars and accessible by elevator, and the list of extras and finishes confirms its high quality construction

Outside features a beautiful pool overlooking the sea 4x8 and maintenance garden with palms and fruit trees.

Do not miss the opportunity to visit this luxurious property and make an appointment with us.
