Description:

Sea view apartment for sale in Aguillas

July 9, 2021, the sale here started of this resort with breathtaking views.

A super investment!The resort is located on a high hill close to the sea and most apartments have full sea view. Only a small number of apartments have mountain views. Below the hill are several quiet creeks with sandy beaches.Where the resort is located, the community lives mostly all year round and do not forget that you are on the outskirts of Aguillas.The building takes the shape of the mountain and the apartments are divided between a ground floor, a middle apartment and a penthouse model. All of them have large terraces right on the living space. Lots of double glazing to bring the atmosphere of the sea inside your apartment.Luxury apartments with 1,2 to 3 bedrooms with underground garage.Besides being very short walking distance from the sea, there are 2 large communal swimming pools facing the sea.Chilie out zones, large gardens with children's playgrounds, Gym equipment in open air.Well worth the visit if you want to buy a good investment by the sea.
