Description:

Renovation or New Build Opportunity Traditional Quinta on 28,160m² near Estoi, Faro
 Discover a rare opportunity to restore a traditional Algarve Quinta or build a bespoke dream home in a countryside setting near Estoi, Faro. This charming rural property offers privacy, beautiful natural surroundings, and excellent access to amenities, making it ideal for a permanent residence, holiday home, or sustainable living project.

Prime Countryside Location Estoi, Faro

Set in a countryside location with distant neighbours of mixed nationalities, the property enjoys a high level of privacy while remaining well connected. Access is via a local tarmac road followed by approximately 80 metres of well-maintained dirt track.

The gently sloping plot features mature carob and olive trees, areas of arable land, and natural rock formations, creating a truly authentic Algarve landscape.

Estoi village: 5 minutes by car (mini-markets & restaurants)

São Brás de Alportel & Faro city: 15 minutes

Faro International Airport: approx. 20 minutes

Property Overview Traditional Algarve Farmhouse

The property consists of a ruined farmhouse (Quinta) dating back to the early 1900s, with a registered

covered area of 86m² (actual built area estimated at approximately 130m²). The Quinta sits within an expansive 28,160m² plot and benefits from open countryside views and a small sea view.

Built in classic Algarve style, the farmhouse features:

Original natural stone walls approx. 50cm thick

Traditional pole and cane roofing with Roman tiles

Indoor staircase leading to a roof terrace with enhanced views

Much of the original stone structure remains intact, presenting an excellent opportunity for restoration or sympathetic renovation. This is an ideal project for a DIY enthusiast or anyone seeking to preserve Algarve heritage architecture.

Development Potential

Alternatively, the property offers the option to design and construct a new, modern home, subject to approval by the Faro local council. The generous land size and setting make this an ideal location for a zero-energy or eco-friendly home, designed entirely to your own specifications.

Existing Accommodation & Outbuildings

Several roofed rooms within the main farmhouse

Former stables with hay loft (roof no longer present)

Original bread oven

Pig sties of approximately 25m²
