Description:

This charming residential complex is being built next to the well-known rambla of Pilar de la Horadada, in a privileged location that combines nature with proximity to all local amenities.

The development will consist of 40 apartments with 2 and 3 bedrooms, distributed over two floors, all facing a large green area with a beautiful communal pool.

The rambla runs along the back of the complex, while a city park lies in front, offering open views and a peaceful, pleasant atmosphere.

The complex is just a short walk from the town's main street and central square, where shops, restaurants, bars, and services are concentrated.

Only 700 meters away, residents will find a large sports center with an indoor swimming pool, tennis and padel courts, football fields, and even climbing walls.

And for beach lovers, the stunning sandy coastline is just 3 km away, easily reachable by bike via well-maintained cycling paths.
