### Description:

For sale is a complex of building plots located in a beautiful, green Mediterranean nature, in the neighborhood of which are family houses and villas with swimming pools. This series of plots is located on the southwest side of the island of Pašman in Ždrelac, district Gladuša, in a very rare and unique position, and their total area is 8896 m<sup>2</sup>. The land is subdivided and divided into eleven building plots of approx. 500 to approx. 600 m<sup>2</sup> (cadastral plan is attached) and access road. The plots have a rectangular shape 16 m - 22 m wide and 28 m - 44 m long and have their access road. They are located in a slight slope, so that in the future each object will have a beautiful, unobstructed view of the sea and the islands of Kornati, Dugi Otok, Iž and an unforgettable sunset view.
