Location:

Sveti Vlas is a unique place by its nature-thanks to the combination of sea, mountain and forest air, the resort has a special microclimate. In addition to the beautiful nature, Vlas is also famous for its modern yacht marina, and the amphitheater, where various events are held in the summer.

Eco-trails are also an attraction - mountain trails that are suitable for simple hiking in mountainous wooded areas.

The resort, although small, is suitable for permanent residence due to the developed infrastructure-the presence of a year-round bus service to neighboring cities, a school and kindergarten, a modernly equipped hospital, as well as shops and large supermarkets.

The nearest major city of Burgas is 40 km away. Varna is 100 km away.
