Description:

A rare treasure on the Côte d'Azur and a popular touristic attraction with its beaches and old-world streets and is only 15 minutes from Sophia Antipolis industrial park. Due to its well-kept planted areas and magnificent swimming pool, the property in Saint-Andrieu, near to the town center, is an invitation to well-being. This large 4 room flat of 77,2 m² opens first of all on a small hall by which you can either, on one side access to the living room/kitchen and a suite or on the other side directly to 2 large bedrooms and a bathroom. The spacious living room opens onto the terrace and the large bay window allows good illumination of this living room and the kitchen. The particularity of this flat is that it is located on the top floor and therefore it's just under the roof which means that both sides of the flat have less than 1m80 of roof height (see plan) but this offers a certain charm to the flat.
