kilometers from Nessebar and Sunny Beach. There are no noisy discos here, but there are many parks, sanatoriums and playgrounds. Ideal for a family holiday.

The city is divided into two parts: old and new. The old one is located on a peninsula jutting out into the sea for five kilometers. The new one occupies the mainland. They are connected by two narrow isthmuses in the north and west. It is from the isthmuses that it is best to admire sunrises and sunsets.
