WE OFFERA Tremendous opportunity to buy land and/or build in the Exquisite Tranquility Zone of Ponta Preta .

HANDS DOWN... the CURRENT LOTS being offered are just a few of the BEST of the BEST we have available in this Breathtakingly beautiful & developing Beachfront Community of Ponta Preta, Maio, Cape Verde!

Ultimately, the decision to buy land and/or build a home on one of our choice lots comes down to your personal preferences, goals, and what you're willing & able to spend.

In my opinion, any of our choice lots in PONTA PRETA would be a solid investment resulting in a substantial financial return

IN THIS SPECIFIC AREA of Ponta Preta, the 'home construction & development underway' is substantial! Expensive houses are being built! House construction costs are 6 to 7 figures in either Euros/US dollars.

WELCOME to the realities of modern real estate math: While both physical structure and land contribute to the value of a home, those two components don't hold their value equally, especially in the most desirable markets.

OVER TIME, THE PHYSICAL STRUCTURE USUALLY DEPRECIATES IN VALUE WHILE THE LAND APPRECIATES.

SO WHY BUY LAND? ITS SIMPLE. They're not making any more of it!

TWO LEVEL CONSTRUCTION ON EVERY LOT

We believe & expect land and home prices to increase given current market trends and upcoming project developments!

ABOUT THE AREA

The island where there is pure tranquility. Secret white beaches, beautiful dunes and a blue ocean. You come to Maio to relax. There is a relaxed atmosphere and the residents are friendly and hospitable. In other words, here you will find the typical Cape Verdean lifestyle 'morabeza'. Maio is not overrun by many tourists, so the authentic atmosphere can be experienced everywhere. It is home to endangered animals such as the white-tailed eagle and the Caretta Caretta turtle. The island can easily be combined with a visit to the neighboring island of Santiago or during a tour of the Cape Verde islands.

If you are looking for white sandy beaches, tranquility and authenticity, Maio is the place for you. There are plenty of paradise spots on Maio, if you just know where to look.

Vila do Maio is a mix of Portuguese and British colonial-style buildings that spread up a small steep hill to a huge Baroque church. To the north of Maio, you will find a magnificent 5km lagoon surrounded by lush vegetation.

Located 25km to the east of Santiago, the spectacular unspoiled beaches of Maio and terrain is similar to that found on Boa Vista and Sal although parts of the island have been heavily re-forested.

With a population of just 8,000 and untouched by tourism, the small island of Maio is a great place to escape, relax and take in the scenic landscapes, lonely beaches and mature forests that only Maio can offer.

Summer visitors may see some turtles on Maio's beaches and there are some interesting birds on the island, in particular rare sea birds in the north of the island. Despite its isolation, Maio is a beautiful island to visit and the perfect place to enjoy long uninterrupted walks along the deserted beaches and salt pans.
