Description:

Allotment approved for the construction of residential buildings, commerce and single-family houses.

A few minutes away from Lisbon, next to the beaches of the Estoril coast, surrounded by shops and all kinds of services, schools, universities, hospitals and clinics. With excellent access, next to the entrance of the A5 - Lisbon Cascais.

Investment with the potential for quick returns, in what is considered the municipality with the best quality to live, study, work and visit.

Much sought after by the population of the metropolitan area of Lisbon, for its economic, environmental and urban characteristics, near the mouth of the Tagus, close to the sea and the Sintra-Cascais natural park.

Located in an expansion area of Porto Salvo, with projects aimed at a young population looking for new neighborhoods to live in near the capital, with good accessibility, which allow access to all facilities close to home.

Designed with a demanding, flexible and versatile population in mind, who want to reconcile work with

leisure, and enjoy proximity services.

Its location close to the beaches of the Estoril line, Sintra Cascais natural park and with a wide range of green spaces created for family leisure time, make this subdivision an investment with high potential and quick placement in the housing market, especially for the young segment, where there is a scarce supply in the metropolitan area of Lisbon.

Licensing in the final stages of approval, for the construction of 21 dwellings:

- 2 plots of 500 m², for the construction of 2 residential buildings, each with:

8 apartments T2

4 floors + basement

12 basement car parks

Gross Construction Area above ground: 1.840 m²

- 5 plots from 190 m² to 350 m², for the construction of single-family houses with the following characteristics:

5 villas T3

Ar.Br.Const. 170 m² + c v,

2 floors + basement

2 basement car parks

Gross Construction Area above ground: 850 m²
