Description:

In this freshly and on highest standards renovated apartment we have a spacious living room, two bedrooms and two bathrooms and a fully mechanized kitchen and dining room.

Individually designed and manufactured furniture was placed in the living room and bedrooms. The furnishings and decoration are characterized by simple shapes and pastel tones that create a sense of homeliness, which give a modern, elegant overall look. A beautiful bronze mirror was placed in the living room, thereby increasing the space. The beds in the bedrooms have individually designed upholstered

headboards, behind which LED lighting and also bronze mirrors make the interior even more exciting.

A lot of natural light comes in, but the lighting also played a big role in the design of the rooms, which is provided by LED light sources.

Smart TVs, a 5.1 home theater system and air conditioners were installed in the living room and bedrooms. Decorations by well-known designers (Kare, Bo Concept, Einholtz, etc.) give the apartment a truly modern feel.

Coverings with special patterns, Marburg washable wallpapers, decorative surfaces, textiles and other additional elements are combined with sufficient elegance.

Floor and wall heating has been installed, the temperature can be regulated in each room using a mobile thermostat.
