Description

Generously spacious Cabrera Family House with fantastic Ocean Views

This 2-story Cabrera Family House was designed with multiple decks with ocean views. There is one from the upstairs of the house and one not connected to the house.

The floor plan encompasses three spacious bedrooms with plenty of room for study, sleep, and storage, two and a half luxurious bathrooms, and a sleek and practical kitchen that flows through to the dining room.

From the living room, the stairs will lead you to the first level with all the bedrooms. The master bedroom has its own private bath and walk-in closet. It is one open space from where you can enjoy the ocean views.

The spacious rear patio with a pool and a palapa is the spot to be with friends for cocktails and BBQ.

Perfect for anyone, this Cabrera Family House is ideally positioned to enjoy any time of the year in the Caribbean.

You'll also love the convenience of your own off-street parking spot, and a great neighborhood near it all with restaurants and beaches minutes away.

Included in the price is a lot of 781 square meters which is located right in the back of the Cabrera family house.

The famous Playa Grande Beach can be reached in less than 20 minutes. Other attractions near Cabrera are the Playa Diamante, Lago Dudu, Monumento Natural El Saltadero, Surf and Paddle Board at Playa Grande, Fishing Tours, and Piscina Natural La Catalina.
