Description

Cabrera Modern Home

This brand new stunning 3-bedroom, 2-bath Cabrera Modern Home is perfect for friends and families who want to enjoy the best the island has to offer. Placed gently beside the crystal clear waters of the Caribbean with the rainforest in your backyard, this truly is a modern oasis. With swaying palm trees and pristine white sands, it can't get better than this.

This villa will give you plenty of reasons to stay inside with its fully equipped kitchen that flows into the living room and a dining room that's set for 6. The full laundry room with a washing machine and dryer will make your stay more comfortable. Throughout the whole house, you'll find state-of-the-art electronics and appliances, making every space more useful without sacrificing its sleek modern appearance. The high ceilings, angular walls, and modern hardware give this expansive villa a luxurious and contemporary feel.

The Cabrera modern home lets you start your day by the pool, relaxing in a nest chair, or bring your yoga mat and stretch out toward the rising sun. The poolside is modern and airy with tropical landscaping that blends seamlessly with the home's modern layout. The house has abundant space to socialize and enjoy

time with your favorite people. Have some fun in the sun and splash around in the sapphire blue private pool. Beyond the pool, there's a gazebo with a barbecue and ample counter space that turns the pool area into a communal space.

Don't miss the opportunity to ascend onto the building's rooftop terrace to enjoy the amazing Dominican sunset. The night doesn't need to end there, romantic exterior lighting makes it seem like the night never has to end. Grab a drink and make more memories with some romantic stargazing.
