Description

Spacious, cozy 2 BR villa in an established residential community on the North Coast

The cozy 2 BR villa Sosua sits on a large lot overlooking a lush tropical ravine. The fenced and very private yard has mature landscaping, including banana, coconut, lemon, lime, and passion fruit, plus many flowering trees and bushes. This creates a beautiful garden where you can sit and listen to the birds while you drink your morning coffee, or enjoy your evening cocktail.

The outdoor grill, the large covered terrace, and the oversized swimming pool are perfect for entertaining or just relaxing. The 15,000-gallon pool has a self-skimming system and an independent cistern.

The main living area features a bright kitchen with a large island and lots of storage cupboards, along with a spacious dining and living room area. The high ceilings help to keep the home cool. There is air conditioning in the living room and each of the bedrooms. The large master bedroom comfortably fits a king-sized bed and has a walk-in closet.

In the casita is a washer and dryer, as well as extra storage space with built-in shelving. The villa is furnished with all essential furniture and appliances included. The home has been full-time owner-

occupied, so has been lovingly cared for and well-maintained.

This 970 sq. meter property is in a pleasant neighborhood where all the construction is completed.

Only a few minutes from Sosua and Cabarete with lots of beaches, sports activities, restaurants, and supermarkets.

The cozy 2 BR Villa Sosua is also for rent.
