Within easy walking distance from local restaurants, this beachfront residence boasts inspired design and construction to a high level. Part of a managed, secure community, the penthouse will provide the owner with everything needed for a happy, active lifestyle, including access to world-class water sports instruction.

Fabulous views of Cabarete Bay and the encircling reef are available from nearly everywhere in the penthouse. An open-plan central space containing a fully-equipped kitchen, dining, and lounging areas opens onto a generous balcony from which all of Cabarete's famous beach is visible. Floors of wood and coralina stone are complemented by high, vaulted ceilings. The space lends itself to quiet family time or elegant entertaining.

In all, there are three bedrooms, each with ample closet space. All three feature ensuite bathrooms. In addition, a home office with a private balcony completes the interior picture.

The master bedroom is what one would expect in a residence such as this: generous size and splendid

ocean views, a Jacuzzi, and a lounge area. The master bath provides a large shower and double vanity sinks. Materials are wood and stone, blended artistically.

This penthouse is part of a well-known complex that includes gated access, an administration office, and 24-hour security. Only a few minutes away from Cabarete's vibrant nightlife and restaurants.
