This a large home with tons of space in a perfectly peaceful yet very handy location .

The house is in excellent condition and has a patio as well as a roof terrace , owned by the same family for 4 generations and the love and care is evident.

The ground floor comprises of a wide traditionally tiled entrance hall which opens into a reception room off which to the front there is a light bright single bedroom.

Walking through an arch from the reception room is a large living room

and a kitchen with built tiled units and a pantry in which you can see the rock the house is built on and around ! quite a feature .

moving on from the living room a tiled passage way covered with a polyurethane roof leads on to a utility /second kitchen area , with a shower room attached .

A back door in the utility area leads out on to the first patio with an out house for storage and a gate at the end takes you to another long patio , which has terrific views over roof tops t the mountains and up to the penon of the Sagrada Corazon an emblematic rock outcrop and gardens topped with a statue of Jesus.

The second floor has 3 generous bedrooms and another lounge area which is so large it could become a further bedroom with ensuite a family bathroom completes this level .

The top floor has a large room which leads out to the fabulous roof terrace with street and distant views , this room would make a great terrace lounge and kitchenette area so you can have everything to hand .

This home is ideal for living and offers so much space you could easily have guest rooms and work from home offices spaces too.
