Property Details

Famed for its beautiful Atlantic beaches and golf resorts, Tuscany in Italy remains one of the most

desirable places anywhere in the world to live. This glorious property offers you the chance to wake up to this magical place every morning and make a fantastic investment at the same time.

This luxury one-bedroom apartment with a designated parking spot in the 800-year-old medieval village of Castelfalfi was renovated in 2013. It's situated in a quiet apartment building that is more than 300 years old; only a short walk from the Castle, which is the center of the village. The apartment enjoys a sunny morning view of the world-class 27-hole golf course and a short drive to enchanting medieval towns, including San Gimignano, Cortona, and Volterra. It is a one-hour drive from Florence, Sienna, and Lucca and 45 minutes from Pisa. It is a perfect place to explore surrounding Tuscan villages or rest peacefully by the best swimming pool complex in Tuscany.

Castelfalfi village is framed by the natural wonder of its green hills, surrounded by kilometers of vineyards and olive groves, warm sun, and a light breeze. It is rich in art, beauty, and culinary traditions. There are more than five restaurants in the village, including the Michelin-starred La Rocca restaurant in the Castelfalfi Castle, world-class pools, a gym, and a spa only a 5-minute walk from the apartment.

The WiFi-equipped apartment is located on the second floor of La Terrazza II, a skillfully restored building that now forms the central body of the hamlet. The flat, with complete air conditioning for the summer heat and radiant floor heating for winter, has been furnished in contemporary style by high-end designer furniture from Florence and a carpentry artisan master from Montaione. A lift serving all the apartments in the complex has been installed in the ample, light-filled entrance hall with a large skylight.

Upon entering the apartment, access is gained to a large, functional bathroom with an overhead shower, toilet, and bidet. The utility room serves as a laundry room with both washing machine and dryer. The large well-appointed bedroom has sunlight entering from the east and a designer queen sized-bed and built-in wardrobe and shelves. The access leads to the spacious living area characterised by an open kitchen and bright sitting and dining room with floor-to-ceiling windows and hardwood floors. The kitchen corner, fitted with bench tops and Miele appliances, faces onto the living area, furnished with a beautiful hand-crafted dining room table, Florence designer leather dining seats, and two seater sofa. The complete entertainment system includes large Samsung Smart TV, DVD player, internet radio, and sound design. The apartment offers breathtaking views of both the town of Montaione and the 27-hole golf course.
