Description:

REDUCED in price - For sale a property of around 190m2 living space built on a plot of over 4 hectares, isolated, surrounded by fields and forest, a few minutes from the Alpes Mancelles; pretty hilly and green region. The house offers:

- Ground floor: a bright entrance, a living room of 50m2 (with possibility of extension) with a fireplace, a fitted kitchen, a bedroom, an office and a toilet.
- Upstairs: you will find 3 spacious bedrooms with views over the countryside, covered with carpeting and a bathroom with WC.
- Adjoining: another small house that can be used as a Guest Gite includes a dining area, a sleeping area, a shower room and a toilet.

The property offers a vast building of approximately 300m2 in cement and covered, a cellar, a pantry and an old cheese dairy.

Nature lovers you will be delighted.

The department of Mayenne is part of the Pays de la Loire region at the crossroads with Brittany and the rest of inland France, the department is less discovered than its neighbours and the main town of Mayenne and Laval are worth a visit.

Charming villages are dotted around the countryside and make for interesting property hunting, it has long been the forgotten gem in North-west France so property prices are lower than in Normandy and Brittany.

The countryside offers nature reserves with interesting places to visit, the land being covered with large forests and panoramic countryside.

Paris is not far either and from Laval you can be in the centre of the capital via the TGV (high speed train) within 90 minutes. It is quickly accessible through airports, train stations and motorways.
