Description:

REDUCED in price - For sale a building ideally located in the centre of Saint Pierre des Nids, an attractive building in a attractive town near one of the most beautiful villages in France, just 15 minutes from Alencon.

It offers a commercial space of approximately 32m2, and adjoining accommodation consisting of a living room, a bedroom and a kitchen.

Backyard and outbuilding.

The department of Mayenne is part of the Pays de la Loire region at the crossroads with Brittany and the rest of inland France, the department is less discovered than its neighbours and the main town of Mayenne and Laval are worth a visit.

Charming villages are dotted around the countryside and make for interesting property hunting, it has long been the forgotten gem in North-west France so property prices are lower than in Normandy and Brittany.

The countryside offers nature reserves with interesting places to visit, the land being covered with large

forests and panoramic countryside.

Paris is not far either and from Laval you can be in the centre of the capital via the TGV (high speed train) within 90 minutes. It is quickly accessible through airports, train stations and motorways.
