Description:

This stylish villa is located in Foinikaria, Limassol.

Built right next to the dam of Germasogeia, Foinikaria is a small village surrounded by picturesque countryside. Much of the village has retained its traditional charm although a few local amenities can be found. The busy city centre of Limassol is just a 20 minute drive away. Limassol is a major city in the South of Cyprus and is known as the financial, economical and cultural centre of the country.

Situated in a quiet gated community, this modern 3 bedroom villa features a well designed, open-plan layout that feels bright and welcoming. The ground floor is fully glass-fronted which allows for maximum amounts of natural light to fill the living areas.

Provisions have been included for air conditioning, heating and solar photovoltaic panels for a comfortable living environment all year round.

The downstairs living area opens out to a covered veranda and landscaped garden. Upstairs the internal living space extends to a well-sized roof terrace with charming views over the lake. This is the perfect place for al fresco dining while enjoying the unique Cyprus climate.

Covered parking and a storage room complete this village retreat.
