#### Description:

This excellent villa for sale in Javea is presented by one of Javea best established promoters and offer both excellent value for money and very good build qualities.

The location is a beautiful housing complex based on the principles of integration with its surroundings and respect for the environment. Located next to the prestigious El Tosalet urbanisation, an easily accessed location, close to both beaches and facilities. The constructors pursue the philosophy of respecting the environment and architectural harmony, but from a contemporary stance, with a more open style of architecture which allows nature to be present in the interior of each villa, and to let light illuminate each of its corners.

As such, the Villa for sale in Javea provides all the privacy you need, whilst also letting you make the most of the Mediterranean light. These are very modern villas, completely integrated with their surroundings, that will allow you to live with all comforts, as they are houses built to the highest standards of quality and with the very best materials. In addition, you will have options for all the technology and home automation services that you would expect from your home.

Please feel free to contact us for more detailed specifications.

The Villa for sale in Javea is a short distance to the pretty beaches which have gained in popularity in recent years as a family friendly holiday destinations that is one of the closer mainland points to Ibiza, sharing similar standard of beaches, landscapes but without the sky high prices, budget tourism and of course is not on an island.

Although this is a holiday destination, low season months are still busy where perhaps only a small

number of restaurants close in the winter weeks. Temperatures in the low season rarely dip below 10 C during the day. All this means its a fantastic place to live all year around.
