Description:

REDUCED in price - A country house with 158 m2 living space potential in this house to completely renovate, there is a lot of potential, it is however perfectly habitable in a basic or you may find, typically rural French kind of habitable, some nice features which include:

- Ground floor: An entrance giving access to a kitchen, a living room, a dining room, an office, as well as a bathroom with WC, a lounge and another office.
- Upstairs: you will find 3 bedrooms, 2 offices and a landing.
- Outside: Also adjoining a cellar, a large outbuilding, a garage and a workshop.

The 400 m2 land is not adjoining, but it is located only 5 meters from the property.

Significant work is to be expected.

The heating is oil fired, and the house is equipped with double glazing.

The septic tank also needs to be completely redone.

The department of Orne, in Lower Normandy is bordered by the other two departments in the region, Manche and Calvados. It is located in the south of the region bordering with Mayenne, Sarthe, Eure et Loir and Eure. It is the only Normandy department without a coastline.

Orne's history was built through war, destruction and chaos but also through prosperity so don't worry it is a calm and peaceful place to live and visit now! It has rolling countryside, open meadows and boasts some of the best weekly markets in France.

Nowadays you can still see vestiges from all the troubled periods, as well as modern architecture that followed WWII. Nice property in the area is easy to find and reasonably priced.
