Bright apartment in Pla del Remei, in one of the most emblematic streets of the city. The Pla del Remei is considered the most exclusive area of Valencia. In this exceptional district we find most of the architectural jewels of the city, as well as the highest quality of services and transport of the same. A residential and affluent neighborhood, with a classic air, with a busy social, artistic and commercial life that has made it one of the most cosmopolitan areas of Valencia in the XXI century. The pulse of the neighborhood can be felt in the Mercado de Colón, jewel of Valencian modernism, which has become a space for leisure and high quality services where you can relax. In its streets we find art galleries, elegant shops and excellent gastronomic and leisure offers that maintain urban life both day and night. - REF:
