Description:

The Estalagem da Serreta is known for having been the meeting place between Marcelo Caetano, on the part of Portugal, Georges Pompidou, on the part of France, and Richard Nixon, on the part of the United States, during the Pompidou Nixon summit that took place on the island of Terceira in December 1971. It is ready for refurbishment. It offers a breathtaking panoramic view of the sea and islands and is inserted in the middle of a beautiful green vegetation.

The organic forms of the building merge perfectly with the natural terrain, creating a harmonious and unique environment.

Located on a spacious plot of 5808 m², this property offers ample space for expansion or customization and with 1478 m² of existing construction, there is a solid foundation for refurbishment.

Whether you imagine a luxury retreat or a charming boutique hotel, the possibilities are endless.

Don't miss the opportunity to turn this idyllic setting into your dream property. - REF: 315/A/01614
