Description:

This project locates in the eastern village of Limassol named Asgata, which is only 20 minutes drive from the city and 15 minutes to the nearest municipal beach. The picturesque village has an altitude of 190 meters an ideal place to stay away from the busy life. The complex is an ideal place for a big family since it composes of 3 collectively designed houses, whereas the 2 are not fully completed. On the first plot, there is a fully furnished house completed in 2010 that covers the area of 650 sq.m. and includes a big terrace with a swimming pool. On the first floor of the house, you enter into a spacious living room with a pool table and a fully equipped modern kitchen. As well there is a special room for children to play, a studying room and a guest toilet. On the second floor, there are 3 bedrooms and each has en suite facilities. In the basement, you will find additional 2 bedrooms with an en suite, a sauna with a lounge area and a small swimming pool, a garage for 2 cars, and a maid's room. The second and third houses are unfinished, but they have been planned to be similar to the completed one, and all of them are connected with a passage along the ground floor.
