Description:

This state of the art house is located in the area of Pyrgos and it probably is the biggest house available for sale in Limassol at this moment.

With construction year of 2010 and delivery date in 2013 this house is less than 10 years old and it is situated in a plot of land of more than 9000sqm of usable area. The garden and the backyard area of the house is large enough to ensure that any potential buyer can use this space either to create a basketball or a tennis court or any other facility. Additionally, the house has a private parking space with the capacity to accommodate more than 30 cars and a driveway which can fit probably another 5 or 10 vehicles and a closed garage.

The pool is approximately more than 100sqm, it can be fully covered with blanket during winter times and it has been decorated with mosaic tiles which gives that high-quality touch to the finish of the pool.
