Description:

Are you looking for an industrial space that offers comfort, functionality and efficiency? This ship, designed to meet all your expectations, may be exactly what you need. **

Highlights:** - **

Large Office:** Designed with comfort and efficiency in mind, the office features central heating, underfloor heating and air conditioning, providing a pleasant working environment all year round.

- ****Equipped toilets:**** The warehouse has two bathrooms, each with two showers. Spaces designed to ensure the well-being of all employees or visitors.

- ****Production Room:**** Equipped with an automatic door, it facilitates the entry and exit of products or merchandise, optimizing production and distribution processes.

- ****Naya Robusta:**** With a structure designed to support thousands of kilos, it provides additional storage or production space.

- ****Storage Shelves:**** Perfect for organizing products, tools or any other material necessary for your business.
- ****Ready to Operate:**** Although the ship is sold without machinery, it is fully equipped and ready to start operations immediately after purchase.

This warehouse is ideal for companies looking for a space that combines functionality with comfort. Whether for production, storage or any other industrial use, this warehouse adapts to the most demanding needs.
