Description:

Welcome - Glad you're here! ReRi Appartements as the successor to HoffmannAppartements is the best and easiest way to live in Trier and therefore in close proximity to the Luxembourg border. And all of this without having to worry about furnishing your apartment. The residential complex is supplied by central heating, which significantly reduces energy costs. Immediately next to the residential complex there are several shops (Aldi, Edeka, fast food restaurant) and a bus stop. The Petrisberg, 2.8 km away, is known for its green and artistic design for the 2004 State Garden Show and the area still offers many opportunities for walking, exercising and dining. The University of Trier is only 1.5 km away. By bus it takes about 20 minutes to get to the main train station, by car it takes about 15 minutes to get to the distribution circle in all directions.
